Tasmanian University Students Association - Purpose, Vision & Values

OUR PURPOSE

To be the independent voice of students at UTAS, effecting change through leadership and community building

OUR VISION

A future where the collective voice of the student community enhances their university experience and the world around them.

OUR VALUES

STUDENT-LED	CONNECTED	BOLD	EFFECTIVE	KIND
At the core of our organisation is the welfare, support and empowerment of our students. We've got your back and exist to honour our promises to your experience at UTAS.	Together we sustain community through connection, with welcoming places - real and virtual, for all people to grow, flourish, influence, explore and evolve our whole selves and each other.	As an organisation we are courageous and vulnerable, embracing our ambition, pursuing innovation and the unknowable pathway to get there. We are edgy, charming, honest and always authentic	Our actions are purposeful and dynamic. Our momentum is tempered by responsibility and accountability. We show up with integrity and get sh*t done.	Kindness, compassion and empathy are the common filters to all our words and actions.
