CLUBS AND SOCIETIES LEADERSHIP DEVELOPMENT PROGRAM

2024

TRANSFORM YOUR ROLE, ELEVATE YOUR IMPACT

ABOUT THE PROGRAM

Are you committed to enhancing student life through vibrant clubs and societies?

The Clubs and Societies Leadership Development Program is a certificated professional development program for staff at SEN member campuses to develop the tools and knowledge to support and uplift clubs and societies.

CONFIDENCE in supporting clubs

KNOWLEDGE in club leadership

IMPROVED conflict resolution and relationship building

CONNECT with like-minded professionals

“For new employees in this space, the program provides a clear understanding of specific requirements/obligations that are required by clubs. For people that have been in the role for a while it provides connections, understanding others’ challenges and ideas on what can be implemented to assist the work load of volunteers and staff.”

Tracey Scott
Clubs Administration Manager

YOUR INVESTMENT IN THE FUTURE

The program represents a significant value, originally priced at \$3,440 + GST. Thanks to the generous support of CPR Group and SEN, we’re able to offer this transformative program to SEN Member Organisations for just **\$1,530 + GST** per participant. Payment plans are available to ensure that the program is affordable for every organisation.

\$1,530 + GST

REGISTER TODAY

Spaces are limited to ensure a personalised and impactful experience. Secure your spot and be part of a community shaping the future of student associations.
